HeliX Rim ChangeOut

HeliX Rim ChangeOut on your existing banjo: Handmade, hardwood: Bluegrass or openback

Get the HeliX sound on your favorite banjo!

How it works: Ship me a set of hardware or your banjo, I return your original rim. Your other hardware is installed per customer specs on a new Helix rim of choice, priced accordingly (ballpark price ~ \$275). Customer can supply wood to my specs. I now also have Grapefruit, Pecan and Mesquite... All other shop services, lathe-work, and setup available.
